

Confirmation of the correctness of the biological material and animal data

DOG **CAT**

Sex: female male

Name: _____

Breed: _____ Date of birth: _____

Chip: _____ Tatoo number: _____ Registration No.: _____

Hereby, I confirm that I have taken the blood sample from the animal stated for the purpose of its examination in Genomia laboratory. At the same time, I have checked the correctness of the identification data. I have provided the tube with the biological sample with a label specifying the correct identification data of the examined animal.
