with the following result:

Absolute genotyping accuracy rank: Rank not assigned for trial comparison tests

Total number of participating labs: 26

A handwritten signature in black ink, appearing to read "Christopher K. Tuggle".

President: Dr. Christopher Tuggle

A handwritten signature in blue ink, appearing to read "Sofia Mikko".

Secretary: Dr. Sofia Mikko

ISAG is a scientific society that provides a forum for the exchange of information, methods and materials between members and for standardization of genotyping nomenclature. ISAG is not involved in the accreditation of service genotyping laboratories or institutions and ISAG does not regard participation in its Comparison Tests as indicating that a laboratory is internationally accredited. This certificate reflects the laboratory performance in the specific comparison test.
